CNA Program Pre-Admission Checklist

☐ Required Materials: No items are required for the first day of class but helpful to have within the first week.
  o Textbook/Workbook - $100
  o Blood Pressure Cuff
  o Stethoscope
  o Uniform
    ▪ Scrubs (Top: steel gray. Bottoms: black)
    ▪ Shoes (Medical, professional, or athletic footwear. Closed-toe)

☐ Other Costs Not Covered by Tuition: Information on these items is listed in the course syllabus and given to students on first day of class.
  o Background Check - $59
  o Urine Drug Screen - $30
  o Immunizations or Blood Testing - $100-300 (covered by health insurance; low-cost at any health department or at DSU Health & Counseling)

☐ Gather Proof of Immunizations: You will be required to submit proof of these immunizations via online upload at a later date (directions in syllabus). Can be childhood or adult vaccinations.
  o Hepatitis B (Must have at least 2 vaccinations before starting clinical rotation)
  o 2-Step Tuberculosis (Two separate “negative” results within any 12 month period)
  o Annual Flu Vaccination (signed waiver accepted)

☐ Questions?
  o See Frequently Asked Questions at https://health.dixie.edu/cna/admissions
  o Email cna@dixie.edu
